

Surface finishing in India reaches  
dazzling New heights!"

*An engineering marvel*

INDIAN  
SURFACE  
FINISHING

20  
24

14-16 FEB

India Exposition Mart Ltd., Greater Noida-NCR.

# WHERE EXCELLENCE MEETS INNOVATION

Metal Finishers' Association of India (MFAI) is pleased to announce a three-day Conference and Exhibition on Surface Finishing. INDIAN SURFACE FINISHING 2024 (Under the auspices of IUSF) will happen from February 14-16, 2024, at Hall 15 in India Exposition Mart Ltd., Greater Noida-NCR.

Following the footsteps of ISF 2017,  
**ISF 2024 will be bigger, bolder and better.**

## HIGH LIGHTS

Attending delegates will have the ultimate chance to explore dynamic trends and technologies, exhibit their products and get early insights into groundbreaking academic research that is poised to revolutionise the industry.

Three Days

Global Surface  
Finishing Expo

Acclaimed  
Speaker Sessions

Product  
Showcase

Academic  
Presentations

International  
delegates from  
around the globe

# WHY ATTEND ISF 2024?

---

Explore emerging trends

Discover cutting-edge technology

Network with industry heavyweights

Stay up to date with the latest research

Gain invaluable insights from industry experts

Spotlight your innovative product range

Explore prospective business opportunities

Stay ahead of the industry curve

As technology is advancing and becoming the need of the hour, more activities are moving online. In this edition of ISF 2024, we will explore the digital revolution in all its merits to aid in better surface coating.
